SPECIAL OCCASION DVD CREATION

The length of the final video is dependent upon the number of pictures and/or video clips provided.

SCANNING

Scanning services are charged on a sliding scale. We currently have the ability to scan imagery up to 8.5"x11" in size. Scanning price also includes providing the client with a CD-ROM of the scanned items. Price includes photo enhancements as needed (e.g., color correction, red eye correction, cropping, etc.)

1–50 items	\$0.90 each
51–100 items	0.85 each
101–200 items	0.80 each
200+ items	0.75 each

MOVIE CREATION

A flat fee is charged per movie. Pricing includes:

- CD cover and label design using a photo from the movie
- Quotes to be provided by client;
- Background music provided by client
 - Client may provide music on a CD or
 - Client may provide the names of the artist and songs; Songs will be purchased through iTunes (a \$0.50 cent surcharge per song will be added)

Home Video Clips

Home video clips may also be added to the movie. Pricing will be discussed and agreed upon before movie creation begins.

DVD/CD Production

One CD of the movie, scanned photos and music is covered by the flat fee; additional copies of the movie/music may be requested at \$3.00 per disk.

Any other special requests will be reviewed and billed at an agreed upon rate.
